Don't know which instrument you want to learn?

- We will have instrument testing dates in the summer or fall.
- We bring in local professional performers and teachers to help you choose your instrument.
- Available instruments are flute, oboe, bassoon, clarinet, alto saxophone, trumpet, french horn, euphonium, tuba, and percussion. Everyone is always good at least one instrument!

Students can take band and other exploratory or related arts classes.

We host a private lesson program to help students succeed and get ahead!
